My Year Without Matches Escaping The City In Search Of The Wildmy Year Wo Matches Newepaperback Introduction

My Year Without Matches

In the tradition of *Wild and Tracks*, one woman's story of how she left the city and found her soul. Disillusioned and burnt out by her job, Claire Dunn quits a comfortable life to spend a year off the grid in a wilderness survival program. Her new forest home swings between ally and enemy as reality – and the rain – sets in. Claire's adventure unfolds over four seasons and in the essential order of survival: shelter, water, fire and food. She arrives in summer, buoyant with idealism, and is initially confronted with physical challenges: building a shelter, escaping the vicious insects and making fire without matches. By winter, however, her emotional landscape has become the toughest terrain of all. Can she connect with her inner spirit to guide her journey onwards? Brimming with earthy charm and hard-won wisdom, *My Year Without Matches* is one woman's quest for belonging, to the land and to herself. When Claire finally cracks life in the bush wide open, she discovers a wild heart to warm the coldest night. 'A brave and adventurous book ... Claire's writing is full of life and profound surprises.' —Anne Deveson 'An entertaining look at how Dunn survived for four seasons in a 'hundred acres of baking scrubland' —Sun Herald 'With earthy, expressive honesty she shares her struggles [and] the swooping highs of crafting life out of a block of unforgiving scrub... by sharing such an intimate journey, Claire has given us all a gift.' —WellBeing Magazine

The Advocate

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Backpacker

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Backpacker

‘An incredibly important and empowering read’ Natasha Ngan, author of *Girls of Paper and Fire* A New York Times bestselling dark speculative feminist thriller, perfect for fans of *The Power* and *The Handmaid's Tale*. _____ **THE RESISTANCE STARTS HERE.** No one speaks of the grace year. It's forbidden. We're told we have the power to lure grown men from their beds,

make boys lose their minds, and drive the wives mad with jealousy. That's why we're banished for our sixteenth year, to release our magic into the wild before we're allowed to return to civilisation. But I don't feel powerful. I don't feel magical. Tierney James lives in an isolated village where girls are banished at sixteen to the northern forest to brave the wilderness - and each other - for a year. They must rid themselves of their dangerous magic before returning purified and ready to marry - if they're lucky. It is forbidden to speak of the grace year, but even so every girl knows that the coming year will change them - if they survive it... A critically acclaimed page-turning feminist dystopia about a young woman trapped in an oppressive society, fighting to take control of her own life.

Advertisers Weekly

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
