Employment Law

Employment Law is a practical guide to understanding and applying the law effectively at work in the UK. Tailored to the needs of practitioners it offers a complete overview of the fundamentals of employment law, examining its importance for an organization, its employees and the HR function. Using a combination of practical tools, assessments, scenarios and case studies from best practice it will build your legal knowledge of key areas including immigration, employing temporary staff, changing contracts, discrimination, equal pay, family rights, redundancy and much more. Employment Law is part of the HR Fundamentals series, offering practical advice to HR professionals starting out in their career, completing CPD training or studying for their professional qualifications with the CIPD. It is the ideal companion to Employee Relations, also by the same author.

Employment Law Made Easy

Written by an employment law solicitor, this title provides an easy-to-understand summary of all the important legal issues. It includes templates, documents and procedure flow charts.

Employment Law

Employment Law 4e is the most complete and accessible introduction to the subject, suitable for students from a variety of backgrounds including HRM and business management. The expert author team combine a wealth of knowledge in teaching, examining, and practising employment law to ensure the reader has a firm understanding of legal principles, in both an academic and professional context. Case exhibits in every chapter illustrate employment law in action, whilst activities test the reader's understanding of the law and its

application in the real-world. Together, they enable students to effectively develop their knowledge of current legislation and maximize their learning. In addition, a dedicated chapter on preparing and presenting a case gives the reader a unique opportunity to demonstrate their understanding using a fictional scenario, through which they can gain a greater insight into the challenges faced by those required to prepare and deliver a case before an employment tribunal. As a result, Employment Law 4e is an essential textbook for students seeking to develop their academic and professional skills, as well as foster their understanding of a subject that directly affects business managers and their employees. Online Resource Centre This book is supported by an integrated Online Resource Centre. For students: - Test your understanding and receive instant feedback with our range of multiple choice questions. - Source relevant and reliable further reading using our publications briefing resource. - Keep informed of changes to the law with our regular updates from the authors. For registered lecturers: - Access additional case studies and questions to support your teaching.

Cases and Materials on Employment Law

A complete reference resource for students of employment law. Well established as the most regularly updated casebook on the market, it offers a wide range of case law and statutes along with plenty of non-statutory material, providing students with a thorough grounding in the subject.

Employment Law

Aimed at both novice attorneys just getting into employment law and seasoned veterans of the field, our popular 3-panel guide is the perfect resource for one's information needs. Various case examples and precedents are featured within this newly updated version, and different color-coded sections examine the most important elements of employment law in detail. Subjects include: • Labor Issues – Fair Practices & Employee Safety & Protection • Health Issues – Benefits & Rights • Fair Treatment & Protected Classes • ...and more!

QUICK REFERENCE CARD

When things go wrong at work, employees are afraid that they have no power to improve their lives. That's exactly what employers want them to think. Guess what? Employees do have rights, but they need to know when they are protected and when they are not. Know your rights! In his unique, conversational tone, the author uses plain English to explain employment law in an approachable way, so that everyone can know his or her basic rights. In what may be the most entertaining book on employment law you will ever read, he makes the law easier to understand by pulling from both his experience as a lawyer and from his years of teaching employment law and discrimination.

Addresses law and employment decisions with a management perspective. This text explains how to approach and manage legal employment decisions, and outlines the specific legal framework in which management decisions are made.

Employment Law

Wachter and Estlund have assembled a feast on the economic analysis of issues in labor and employment law for scholars and policy-makers. The volume begins with foundational discussions of the economic analysis of the individual employment relationship and collective bargaining. It then progresses to discussions of the theoretical and empirical work on a wide range of important labor and employment law topics including: union organizing and employee choice, the impact of unions on firm and economic performance, the impact of unions on the enforcement of legal rights, just cause for dismissal, covenants not to compete and employment discrimination. Anyone who wants to study what economists have to say on these topics would do well to begin with this collection. Æ Kenneth G. Dau-Schmidt, Indiana University Bloomington School of Law, US This Research Handbook assembles the original work of leading legal and economic scholars, working in a variety of traditions and methodologies, on the economic analysis of labor and employment law. In addition to surveying the current state of the art on the economics of labor markets and employment relations, the volume's 16 chapters assess aspects of traditional labor law and union organizing, the law governing the employment contract and termination of employment, employment discrimination and other employer mandates, restrictions on employee mobility, and the forum and remedies for labor and employment claims. Comprising a variety of approaches, the Research Handbook on the Economics of Labor and Employment Law will appeal to legal scholars in labor and employment law, industrial relations scholars and labor economists.

Employment Law for Business

This book provides a comprehensive overview of employment law and is a useful supplement to any employment law casebook. The book is divided into six chapters. Chapter 1 examines who is an employee and who is an employer. Chapter 2 analyzes the employment-at-will doctrine and job security claims. Chapter 3 focuses on privacy, autonomy, and dignity. Chapter 4 analyzes claims that employers may have against employees. Chapter 5 discusses employment terms and benefits that are directly mandated by law, like minimum wage, or strongly encouraged or regulated by law, such as pensions. Finally, Chapter 6 examines workplace health and safety.

Research Handbook on the Economics of Labor and Employment Law

A practical guide to the law of unfair dismissal and UK employment law in general. For ease of use, the sixth edition is now in A4 size and the book has been fully updated. This book sits between employment law books which are too short and those which are too long. The format of this book is based on case authorities and the law and the way judges have interpreted and applied the law. Written in an easy-to-read style, this

book is for those who need to find out their employment law rights and how to pursue their claims; it is also for employees and workers; employers; trade unionists; law students and employment law professionals who need to locate quickly a particular case authority and the relevant law.

Principles of Employment Law
