the only purpose for which power can be rightfully exercised over any member of a civilized community, against his will, is to prevent harm to others. His own good, either physical or moral, is not a sufficient warrant.

Should the state prohibit...? Sexual acts between consenting adults Suicide in general Drugs that do not promote aggressive or dangerous behavior, eg marijuana, heroin Failure to use seat belts or motorcycle helmets Voluntary euthanasia and physician assisted suicide

Is having more options always better than not having them? (Compare duelling) Are people who might choose euthanasia in a suitable condition to be offered the choice? Can we harm people by offering them a choice?

\"Euthanasia by default\" \"I favor euthanasia in some cases... I feel most comfortable with a policy of permitting euthanasia by default-that is, by a tacit failure to enforce the institutional rules that currently serve

as barriers to justified euthanasia, or a gradual elimination of these rules without fanfare.\" (Velleman, \"Against the Right to Die\")
