

PDF HANIMEX TZ2MANUAL

Leica R6

Complete user's manual for this all-mechanical Leica reflex, which gives the photographer complete control over all functions. The author explains how to take advantage of this.

Leica R7

Comprehensive user's guide to the R7 system, with information on all operating modes. Advice on flash, lenses, filters and the system accessories such as motors.

Leica R8

This book details the Leica R8 and its lenses and accessories, with guidance over handling and using this equipment. This manual will help both owners and prospective owners of an R8. Sections of lenses and their usage, as well as different drives and accessories with an extensive section on flash with the R8.

Leica Accessory Guide

This book is used in conjunction with The Leica Pocket Book and Leica Price Guide and has been compiled from original Leitz sources. The book has two aims: the first is to act as the constant pocket companion for the Leica Collector in his travels; the second is to help Leica enthusiasts who want to study fascinating accessories in greater depth. It covers the whole period from 1924 to Spring 1996 and will enable the reader to place an individual accessory in its historical context with contemporary Leica models and lenses. Readers wishing to study Leica accessories further and looking for a more suitable bedside companion are referred to the author's Leica Collectors Guide which also includes comprehensive accounts of Leitz enlargers, projectors and binoculars.

Minolta Maxxum-Dynax 5xi

Small enough to toss into a camera bag, yet thorough in coverage, Hove User's Guides are the best all-around camera manuals available. Each book describes the special features and operation of a single camera model or model family.

Leica Collectors Guide

Thoroughly revised, brought up to date, and completely reset with some 60% more pages. The layout has been redesigned to make this edition much easier to use as a work of reference. All the numerous new products introduced since the first edition are included. Two new chapters have been added, one on Leica Digital Cameras and one on Leicina Cine Cameras, and a new section on leather cases. Additional information, corrections and comments from readers all over the world have been incorporated.

Minolta 8000I

Small enough to toss into a camera bag, yet thorough in coverage, Hove User's Guides are the best all-around camera manuals available. Each book describes the special features and operation of a single camera model

or model family.

Nikon N70, F70

Quality users' guides help photographers get the most from their photo equipment. Magic Lantern Guides have sewn bindings and laminated covers for long life. Softbound. 5 x 7-1/2." Approximately 176 pp., fully illustrated in color and black and white.

Leica Pocket Book

Latest edition of this Illustrated Pocket Book guide to Leica cameras and lenses from 1925 to the new products launched at Photokina 2002. With the latest available production figures and serial number lists. Essential companion to the Leica International Price Guide.

Ferrari 1947-1997

This is a collector's book on five decades of engineering innovation- body, engine, drive-train and chassis with the background to Ferrari's history as a car manufacturer traced decade by decade. Testimonials and memoirs from early drivers are listed and included is a cutaway series depicting the most famous Ferrari road and competition cars. Appendices list technical details, production output, drivers, major race victories and international championships.

The Advanced Nikon System

Small enough to toss into a camera bag, yet thorough in coverage, Hove User's Guides are the best all-around camera manuals available. Each book describes the special features and operation of a single camera model or model family.
