Practice Book & Model Paper

Contains over one thousand practice questions - worked examples, quick tests, 2 full BMAT-style sample test

papers, and 2 full UKCAT-style sample test papers. With the use of admissions tests becoming an increasingly more common part of the selection process for entrance to medical school, BMAT and UKCAT Uncovered is a comprehensive yet accessible guide to the two main tests used by UK medical schools. Written by recent Cambridge graduates, the authors' experience lies in taking these exams themselves and teaching students how to pass them. They combine key strategies for tackling the specific skills tested by the BioMedical Admissions Test and the UK Clinical Aptitude Test, along with practice questions and tests, with worked answers, in the style of the BMAT and UKCAT exams. The simple, informal teaching style, highlighting key practice areas, with the minimal use of jargon, means BMAT and UKCAT Uncovered is an essential tool for all medical school applicants.

In this book, four new sections have been added in this edition containing multiple choice questions (MCQs), problem oriented case studies, very short question with answer and Biochemistry course curriculum of different Universities. MCQ will definitely be useful to the students appearing for PG entrance examinations later. Problems relating to biochemical case studies have recently been introduced in question papers of many medical universities and in this context, these will be of immense help to the students for diagnostics analysis. In this new edition very recent questions have been incorporated, some short questions with answers and new case history are added. Guide line of Medical Council of India (MCI) for Biochemistry course curriculum is appended, so the students will be aware about the must know and desirable to know area in the subject. Through separate chapters have been earmarked for paper I & II in the courses of study of different Universities, sometimes the question setters do not strictly adhere to the instructions laid down in it, while setting questions. Although it happens occasionally the students have to bear this anomaly as there is no remedy for it.
